

THE IRISH NEWS

GAA School Coaching Day

Dear Parent,

Our school is collecting tokens to enter the Irish News GAA School Coaching Day competition. Five schools will receive a coaching session designed and delivered by St Mary's University College PE Department.

We are encouraging every child at school to collect as many tokens as possible from the Irish News to give us a great chance of winning.

If we can collect 250 tokens we're guaranteed a set of FREE Training Bibs.

Help by collecting as many tokens as you can in your family, uncles, aunts, grandparents - all can help!

Thank You
